

Computer IT / Website

Loen Nursery is family owned and operated since 1987. We are a grower and supplier of high quality nursery stock with a retail and landscape contractor's nursery supply yard in Sherwood, Oregon and a growing facility in Woodburn, Oregon. We ship throughout Oregon and all over the United States.

Loen Nursery seeks an individual to manage our IT. We have existing server and computer network for three locations with approximately 25 workstations. Existing SBI software that needs to be brought up to date with provider or new software selected and implemented. Our website needs updating for our wholesale operation and our retail needs to be built. Experience in customizing software or choosing correct software to run the business is desired. We have POS for retail and wholesale warehouse and inventory tracking, accounting. Responsibilities include, servicing day to day staff needs, maintenance of server and computers, website improvements and maintenance. General IT throughout the company. Minimum experience 3 years. College 4 year degree in computer science or IT is desired. Software writing in Csharp and .net.

We offer health and dental insurance, paid holidays, vacation and sick leave. Salary based on experience. Please send cover letter and resume to hr@loennursery.com.
