

Loen Nursery, Inc.

Wholesale Growers & Suppliers of High Quality Plants

Outside Nursery Sales Representative

Loen Nursery Inc. an Oregon nursery seeks an outside sales rep for the Colorado territory. Our customer base includes retail garden centers, landscape contractors, wholesale suppliers, schools and municipalities. We are a grower and supplier of high quality container grown and field nursery plants to include shade and flowering trees, fruit, broadleaf and deciduous shrubs, perennials, grasses and ferns, conifers, and Japanese maples. We are looking for an energetic, self-motivated sales person with excellent customer service. Ideal candidate must have 3 years nursery experience, horticultural degree preferred, existing relationships in the nursery industry, strong plant knowledge, proficient computer skills and excellent people skills. This is an independent sales job based on commission sales.

To apply, please send resume to hr@loennursery.com.
